

Vocab Quiz Schedule:

For each week below you will find the “start” and the “end” word for a section of the “General Word List” available as a pull out inside the back cover of your copy of Pharr. Each quiz will be drawn from the words contained in that column of the list. Be sure to check out the “Vocab Quiz Explanation” sheet on Canvas/Weebly for more info about what you are required to provide for each part of speech.
